# PUBLIC NOTICE

# 45 DAY PUBLIC INFORMATION PERIOD

PRIOR TO ELECTING CHANGES UNDER THE MISSOURI LOCAL GOVERNMENT EMPLOYEES RETIREMENT SYSTEM

The City Council of the City of Florissant has received cost information for a possible change in retirement benefits for its employees under the Missouri Local Government Employees Retirement System. Section 105.675 RSMo. provides that (a) when a political subdivision is making a substantial proposed change in benefits, a prepared statement regarding the cost of such change shall be prepared in accordance with Section 105.665 RSMo.; (b) the statement of cost shall be made available as public information for at least 45 calendar days before taking final action to adopt the change in benefits; and (c) the statement of cost shall be filed in the office of the clerk, secretary or other individual responsible for keeping the official records, and with the joint committee on public employee retirement In accordance with Section 105.675 Revised Statutes of Missouri. In compliance with section 105.675 RSMo, said cost information shall be made available for public inspection for at least 45 calendar days from today prior adoption of the benefit change. Interested parties may view a copy of this cost information in the Finance Department at City Hall and or/by contacting Kimberlee Johnson, Finance Director at kjohnson@florissantmo.com.

**EXHIBIT A** 

# AGREEMENT FOR THE INSTALLATION, OPERATION, AND MAINTENANCE OF LICENSE PLATE RECOGNITION CAMERA WITHIN ST. LOUIS COUNTY MAINTAINED RIGHT OF WAY

**THIS AGREEMENT**, is by and between St. Louis County (hereinafter "County") and the City of Florissant (hereinafter "City") for the installation, operation, and maintenance of license plate recognition cameras within St. Louis County's maintained right of way.

#### WITNESSETH:

**WHEREAS**, the City has approached the County requesting the installation of a license plate recognition camera within St. Louis County's maintained right of way and

WHEREAS, the County is willing to grant the City permission to install, operate and maintain license plate recognition cameras within St. Louis County's maintained right of way and

**WHEREAS**, Section 1105.057 SLCRO authorizes the County Executive to execute this Agreement on behalf of County.

**NOW THEREFORE,** in consideration of the mutual covenants, promises, and representations herein, the parties agree as follows:

1. County grants authority to City to install operate and maintain license plate recognition cameras at 14 locations identified in the maps attached hereto and labeled as Exabit B.

2. The City shall not assign, transfer or delegate any interest in this Agreement without prior written consent of the County.

3. Changes in this Agreement, whether by modification or supplementation, must be accomplished by a formal amendment fully executed and approved by duly authorized representatives of the City and the County.

4. This Agreement shall commence upon the execution of this Agreement and shall be in effect until terminated as described below. Execution of this Agreement does not authorize the installation of any license plate recognition camera. A Special Use Permit must be obtained from the County's Department of Transportation and Public Works for such authorization.

a. The County may terminate this Agreement at any time due to safety concerns or for a material breach of contractual obligations by providing the City with a written notice of termination. Should the County exercise its right to terminate this Agreement for such reasons, cancellation will become

107 The City shall prepare plans for the construction of each license plate recognition 108 5. 109 cameras, supports, and bases for review and approval by the County. Approval of said plans is at the sole discretion of the County. 110 111 6. The acquisition of all easements and/or rights-of-way necessary for the installation, 112 operation, and maintenance of license plate recognition camera equipment shall be 113 the responsibility of the City. 114 115 The City shall be responsible for all costs associated with furnishing, installing and 7. 116 maintaining license plate recognition camera, including all requirements mandated 117 by the County to accommodate the license plate recognition camera equipment, and 118 the removal of each camera, if this Agreement is terminated as described in 119 Paragraph 4. 120 121 8. The City, its approved installer, or its license plate recognition camera vendor shall 122 furnish, install, and maintain all license plate recognition cameras, supports, and 123 bases. The installation, operation or maintenance of any such equipment shall not 124 alter or affect the mobility of any mode of transportation on any sidewalk or 125 roadway dedicated for public use. 126 127 9. All proposed license plate recognition camera installs shall meet the following 128 criteria. 129 Support poles shall be free standing and be MASH compliant 130 a. Cameras shall be solar powered with no hard-wired electrical power 131 h. connection 132 Cameras shall transmit images of license plates only via a secure cellular 133 or wireless connection 134 135 10. Any proposed license plate recognition cameras that do not meet the requirements 136 137 set forth in paragraph 9 will require additional review and approvals before a revised Agreement can be provided to the City. 138 139 11. This Agreement does not authorize the use of any other type of equipment and/or 140 cameras to be installed, operated or maintained other than license plate recognition 141 cameras. If any other equipment is desired by City to perform any function other 142 143 than license plate recognition, their installation, operation and/or maintenance will have to be addressed in a separate Agreement and permit. 144

effective upon the date specified in the notice of termination sent to the City.

b. The County may terminate this Agreement, for any reason, by providing

c. The County may terminate this Agreement immediately if the City or its

license plate recognition camera vendor fails to provide an acceptable level

thirty (30) days prior written notice to the City.

of cyber security as determined by the County.

- 12. The City, its approved installer, and/or its license plate recognition camera vendor shall be responsible for obtaining and paying for all applicable permits, including obtaining a Special Use Permit from the County's Department of Transportation and Public Works to authorize the installation of a license plate recognition camera. For any required permit, the City shall be listed as the Permittee and shall pay all associated permit costs. A permit will be required for each location at which a license plate recognition camera is to be installed.
- 13. If at any time, as determined by the County, any license plate recognition camera equipment needs to be relocated, the relocation of said equipment shall be the responsibility of the City, at no cost to the County. If the County should expend any funds in connection with the installation, maintenance, relocation or removal of said license plate recognition cameras, the City shall reimburse the County for the same.
- 14. The City, its approved installer, and/or its license plate recognition camera vendor shall only conduct work approved by authorized County personnel and as outlined in a Special Use Permit.
- 15. The City shall be responsible for all repairs and/or adjustments determined to be necessary due to vandalism, knockdowns and/or acts of God. A separate special use permit will be required for all repairs and/or adjustments determined to be necessary due to vandalism, knockdowns and/or acts of God.
- 16. Each year, during the month of January, the City shall apply for a renewal of this Agreement. The City will be responsible for all renewal fees imposed by the County. If a request for renewal is not received by March 1, the County shall remove any cameras listed in paragraph 1 at the expense of the City.
- 17. The renewal application shall contain:
  - a. The locations listed in paragraph 1 that are in place at the time of renewal and desired to remain in use for the following calendar year
  - b.Declaration of cyber security insurance carried by the City and/or their license plate recognition camera vendor.
  - c. A current Certificate of Insurance evidencing general liability coverage (bodily injury and property damage) in the amounts specified as the limits of liability set by the State for public entities shall be provided to St. Louis County by any entity performing work (including maintenance) within County right-of-way. Such certificate shall include "St. Louis County" as an additional insured. Certificate shall provide for a 30 day policy cancellation notice to St. Louis County. Upon request, the County will provide the specific amounts for both per person and per occurrence limits. Certificates shall be provided so the policy renewal date coincides with the yearly renewal date of this agreement.

.91		
.92	18.	This Agreement shall be construed to be in accordance with the laws of the State
.93		of Missouri.
.94		
.95	19.	All the terms, covenants and conditions of this Agreement shall insure to the benefit
.96		of and be binding upon the successors and assigns of all of the parties hereto.
.97		
.98	20.	To the fullest extent permitted by law, the City shall defend, indemnify, and hold
.99		County and its agents, officials and employees, harmless from and against all
200		claims, damages, losses, and expenses, including reasonable attorney fees and
201		costs, arising out of, or resulting in whole or in part from, any act or omission of
202		the City or their contractors, subcontractors, agents or employees.

1 2	INTRODUCED BY COUNCILMAN SIAM JUNE 12, 2023
3 4 5	BILL NO. 9885 ORDINANCE NO.
6 7 8 9	ORDINANCE TO REZONE THE PROPERTY LOCATED AT 1 FLOWER VALLEY SHOPPING CENTER FROM 'B-3' EXTENSIVE BUSINESS DISTRICT TO A 'B-5' PLANNED COMMERCIAL DISTRICT TO ALLOW FOR A CAR WASH (BRITE WORX).
11	WHEREAS, Ordinance No. 1625, as amended, establishes within the City of Florissant district
12	classifications for the purpose of regulating their construction and use of land, buildings and property
13	within the said various districts, and said Ordinance provides the nature, kind and character of buildings
14	that may be erected in each of the said districts and the use to which the land and buildings may be put;
15	and
16	WHEREAS, the Planning and Zoning Commission of the City of Florissant has recommended to
17	the City Council at their meeting of MAY 15, 2023 that Ordinance No. 1625 be amended to change the
18	classification of the property at 1 Flower Valley Shopping Center from B-3 "Extensive Business District
19	to B-5 "Planned Commercial District"; and
20	WHEREAS, due and lawful notice of a public hearing no. 23-06011 on said proposed zoning
21	change was duly published, opened on the 12th day of June, 2023 at 7:00 P.M. by the Council of the City
22	of Florissant; and
23	WHEREAS, the Council, following said public hearing, and after due and careful deliberation, has
24	concluded that the amendment of Ordinance No. 1625, as amended, as hereinafter set forth, to be in the
25	best interest of the public health, safety and welfare of the City of Florissant; and
26 27 28	NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FLORISSANT, ST. LOUIS COUNTY, MISSOURI, AS FOLLOWS:
29	Section 1: 1 Flower Valley Shopping Center is hereby rezoned from B-3 "Extensive Busines
30	District" B-5 "Planned Commercial District", as depicted by the attached drawings C000, C001, C200
31	C300, C700, dated rev 5/10/23, lighting plan LO155229-1 dated 5/8/23, A102 and A202 dated 12/30/20
32	Figure 1- Vehicle Maneuver Exhibit dated May 2023, as well as color photos of an identical building in
33	Crestwood and Sign Package dated 4/10/23, subject to the regulations of the B-5 Planned Commercia
34	District, with permitted uses allowed being a car wash, those within the "B-3" Extensive Business District
35	without a Special Permit, and the following additional requirements:

BILL NO. 9885 ORDINANCE NO.

#### 1. PERMITTED USES

The uses permitted for this property shall be limited to car wash, those within the B-3 "Extensive Business District" without a Special Permit. Other uses than those permitted shall require approval by amendment to this B-5 Ordinance.

40

41

42

36

37

38

39

### 2. FLOOR AREA, HEIGHT AND BUILDING REQUIREMENTS

The building space shall be limited to a single story 5188 s.f. car wash, with those Uses permitted within the 'B-3' Extensive Business District without a Special Use Permit.

43

45

46

47

48

#### 3. PERFORMANCE STANDARDS

In addition to all other requirements, uses within the "B-5" Planned Commercial District shall conform to the most restrictive performance standards as follows:

- 1. Vibration. Every use shall be so operated that the maximum ground vibration generated is not perceptible without instruments at any point on the lot line of the lot on which the use is located.
- 2. Odor. Every use shall be so operated that no offensive or objectionable odor is perceptible at any point on the lot line on which the use is located.
- 3. Smoke. Every use shall be so operated that no smoke from any source shall be emitted of a greater density than the density described as No. 1 on the Ringelmann Chart as published by the United States Bureau of Mines.
- 4. Toxic gases. Every use shall be so operated that there is no emission of toxic, noxious or corrosive fumes or gases.
- 5. Emission of dirt, dust, fly ash and other forms of particulate matter. Emission of dirt, dust, fly ash and other forms of particulate matter shall not exceed eightyfive one-hundredths (0.85) pounds per one thousand (1,000) pounds of gases of which amount not to exceed five-tenths (0.5) pound per one thousand (1,000) pounds of gases shall be of such size as to be retained on a 325-mesh U.S. standard sieve. In the case of emission of fly ash or dust from a stationary furnace or a combustion device, these standards shall apply to a condition of fifty percent (50%) excess air in the stack at full load, which standards shall be varied in

66		proportion to the deviation of the percentage of excess air from fifty percent
67		(50%).
68	6.	Radiation. Every use shall be so operated that there is no dangerous amount of
69		radioactive emissions.
70	7.	Glare and heat. Any operation producing intense glare or heat shall be performed
71		in an enclosure in such a manner as to be imperceptible along any lot line.
72	8.	Screening.
73		a. All mechanical equipment, air-handling units, cooling towers, condensers, etc.,
74		on roof or grade shall be screened architecturally in such a manner as to be a part
75		of the design of the building.
76		b. Incinerators and stacks shall be enclosed in the same material as the main
77		exterior building material.
78	4. TRASH H	ENCLOSURES
79	Trash	container shall be kept within a gated sight-proof area as shown on attached plans.
80	Mater	rials to be compatible with the building.
81		
82	5. PLAN SU	UBMITTAL REQUIREMENTS
83	Final	Development Plan shall include improvements as shown on drawings attached
84	includ	ling entire property, trash enclosures, landscape, lighting and legal description.
85		
86	3. SITE DEV	VELOPMENT PLAN CRITERIA:
87	a. <u>Height</u> ,	, Area And Bulk Restrictions:
88	1. He	eight, Area and Bulk Regulations. The height, area and bulk regulations for uses in
89	the "E	3-3" Extensive Commercial District
90	b. <u>Interna</u>	1 Drives:
91	(1) Th	nere shall be parking as shown on drawings attached.
92	c. Minim	num Parking/Loading Space Requirements.
93	(1) Th	nere shall be a minimum of 6 required parking spaces provided on the property.
94	d. Road I	mprovements, Access and Sidewalks
95	(1) St	Louis County Highway approval shall be required prior to issuance of building
96	permi	ts.

BILL NO. 9885 ORDINANCE NO.

97	e. <u>Lighting Requirements.</u>
98	Lighting of the property shall comply with the following standards and requirements:
99	(1) The light level for parking lot lighting shall be 0.5 fc minimum.
00	(2) All site lighting and exterior building lighting shall be directed down and inward
01	f. Sign Requirements.
02	(1) Signs shall be as depicted on sign package plans submitted, dated 4/10/23 with
03	base of 30' ground sign +/- 32'-6" from r.o.w. and 4' tall directional sign +/- 25'
04	from r.o.w.
05	(2) All other signage shall comply with the City of Florissant sign ordinance for
06	commercial districts.
07	g. Landscaping and Fencing.
108	(1) Any modifications to the landscaping plan shall be reviewed and approved by the
109	Planning and Zoning Commission.
10	(2) An automatic permanent irrigation system shall be designed and installed to cover all
11	landscaped areas.
12	h. Storm Water.
13	Storm Water and drainage facilities shall comply with the following standards and
14	requirements:
15	(1) The Director of Public Works shall review the storm water plans to assure that storm
16	water flow will have no adverse effect the neighboring properties.
17	
18	(2) No building permits shall be issued until the storm water plan has been approved by the
19	St. Louis Metropolitan Sewer District.
20	i. Miscellaneous Design Criteria.
21	(1) All applicable parking, circulation, sidewalks, and all other site design features shall
22	comply with the Florissant City Code.
23	(2) All dumpsters and grease containers shall be contained within a trash enclosure with
24	gates compatible with existing building.
25	(3) All storm water and drainage facilities shall be constructed, and all landscaping shall
26	be installed, prior to occupancy of the building, unless remitted by the Director of
27	Public Works due to weather related factors.

BILL NO. 9885 ORDINANCE NO.

128	(4) All mechanical equipment, electrical equipment, and communication equipment shall
129	be screened in accordance with the Florissant Zoning Code.
130	
131	(5) The exterior design of the buildings shall be constructed in accordance with the
132	renderings as approved by the Florissant Planning and Zoning Commission and
133	attached hereto.
134	(6) All other requirements of the Florissant Municipal Code and other ordinances of the
135	city shall be complied with unless otherwise allowed by this ordinance.
136	(7) There shall be one ground sign located as shown on plans, otherwise consistent with
137	the sign code of the City of Florissant.
138	
139	7. FINAL SITE DEVELOPMENT PLAN
140	A final site development plan shall be submitted to the Building Commissioner to review
141	for compliance with the applicable "B-5" Planned Commercial Development ordinance
142	prior to recording. Any variations from the ordinance approved by the City Council and/or
143	the conceptual plans attached to such ordinance shall be processed in accordance with the
144	procedure established in the Florissant Zoning Code.
145	
146	8. AMENDMENTS TO THE SITE AND EXTERIOR BUILDING PLANS:
147	Any changes to the approved plans for the entire parcel and attached hereto must be reviewed by
148	the Building Commissioner. The Building Commissioner must make a determination as to the
149	extent of the changes per the following procedure:
150	a. The property owner or designate representative shall submit in writing a request for an
151	amendment to the approved plans. The building commissioner shall review the plans for
152	consistency with the purpose and content of the proposal as originally or previously
153	advertised for public hearing and shall make an advisory determination.
154	b. If the building commissioner determines that the requested amendment is not consistent
155	in purpose and content with the nature of the purpose as originally proposed or previously
156	advertised for the public hearing, then an amendment to the 'B-5' Ordinance shall be
157	required and a review and recommendation by the planning and zoning commission shall

be required and a new public hearing shall be required before the City

158

BILL NO. 9885 ORDINANCE NO.

159	Council.
160	c. If the building commissioner determines that the proposed revisions are consistent with
161	the purpose and content with the nature of the public hearing then a determination of non-
162	necessity of a public hearing shall be made.
163	d. Determination of minor changes: If the building commissioner determines that ar
164	amendment to the B-5 is not required and that the changes to the plans are minor in nature
165	the Building Commissioner may approve said changes.
166	e. Determination of major changes: If the Building Commissioner determines that ar
167	amendment to the B-5 is not required but the changes are major in nature, then the owner
168	shall submit an application for review and approval by the Planning and Zoning
169	commission.
170	
171	9. VERIFICATION PRIOR TO OCCUPANCY PERMIT
172	a. Any new roadway improvements shall be completed prior to the issuance of any fina
173	occupancy permit.
174	b. Any new stormwater detention shall be completed prior to the issuance of any occupancy
175	permit.
176	c. All fencing and/or landscaping intended as screening properties shall be completed prior to
177	the issuance of any occupancy permit, unless remitted by the Director of Public Works due
178	to weather related factors.
179	
180	10. GENERAL DEVELOPMENT CONDITIONS.
181	a. Unless, and except to the extent, otherwise specifically provided herein, development shall
182	be affected only in accordance with all ordinances of the City of Florissant.
183	b. The Department of Public Works shall enforce the conditions of this ordinance in accordance
184	with the Final Site Development Plan approved by the Planning & Zoning Commission
185	and all other ordinances of the City of Florissant.
186	
187	9. PROJECT COMPLETION.

BILL NO. 9885 ORDINANCE NO.

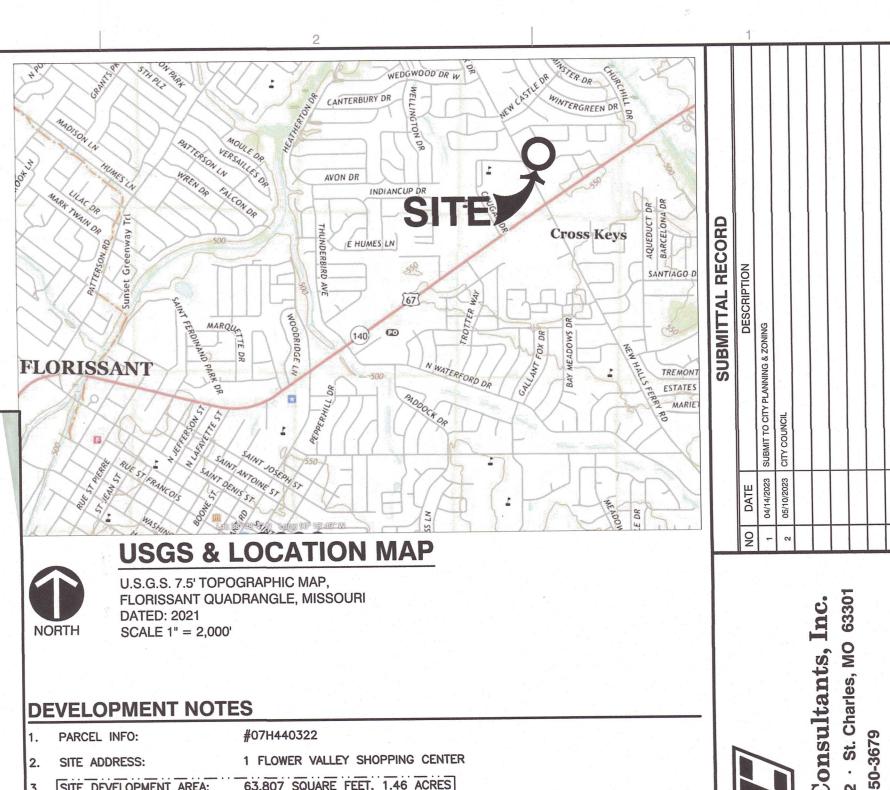

188	Construction shall start within 90 days of the issuance of building permits for the project as	nc
189	shall be developed in accordance of the approved final development plan within 12 months	o
190	start of construction.	
191 192 193	Section 2: This ordinance shall become in full force and effect immediately upon its passage at approval.	ınc

document for ordering product.

Based on the information provided, all dimensions and luminaire locations shown represent recommended positions. The engineer and/or architect must determine the applicability of the layout to existing or future field conditions.

This lighting plan represents illumination levels calculated from laboratory data taken under controlled conditions in accordance with The Illuminating Engineering Society (IES) approved methods. Actual performance of any manufacturer's luminaires may vary due to changes in electrical voltage, tolerance in lamps/LED's and other variable field conditions. Calculations do not include obstructions such as buildings, curbs, landscaping, or any other architectural elements unless noted. Fixture nomenclature noted does not include mounting hardware or poles. This drawing is for photometric evaluation purposes only and should not be used as a construction document or as a final
